4 Reading Comprehension. Read the text and answer the questions.

Hi, I'm Millie, and I'm 12 years old. My favorite school subject is Maths. I also love to draw, and in my free time, I draw lots of pictures of different things. One day, on our school trip, we went to visit a historical place. There were lots of beautiful buildings. The entire place looked like something out of postcards! Our teacher told us all the buildings were designed by a renowned architect. So now, I've decided that I want to be an architect and design beautiful buildings too, when I grow up!

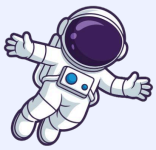

1. How old is Millie?
2. What's her favorite school subject?
3. What's her hobby?
4. Where did they go for a school trip?
5. What does she want to be when she grows up?
6. Why?
