סיפור:

"David sat in his living room and looked around. The room was dark and messy. He thought to himself: 'I wish I had a brighter apartment.' He remembered the beautiful cottage he saw last month. 'If only I had rented that cottage instead,' he sighed. Yesterday, David tried to move his heavy wooden wardrobe alone and hurt his back. 'I wish I had waited for my friend to help me,' he thought. He looked at his broken television on the floor. 'If only it worked properly!' Finally, he looked at his empty fridge. He smiled and said: 'I wish a delicious dinner were ready right now!'"
