The Great Coast Drive

Maya and her family were super excited about their summer road trip along the sunny coast. Early in the morning, they loaded the car with backpacks, a cooler full of snacks, and a portable speaker for music. Maya helped her parents plan the itinerary, which included stopping at three national parks and two sandy beaches. Suddenly, on the second day, they had a flat tire on a quiet country road! Luckily, her dad was prepared and quickly replaced it with a spare tire. The rest of the trip was filled with breathtaking sunset views and unforgettable moments.

1. What did Maya and her family pack in the cooler?
2. How many national parks were listed in their itinerary?
3. What unexpected problem happened on the second day of the road trip?
4. How did Maya's dad solve the problem with the tire?
5. What does the word "breathtaking" mean in the story? (Very boring / Extremely beautiful and surprising / Dirty and messy)
